

# Ann ANDERSON Evans

## AUTHOR:

*Daring to Date Again* by author Ann Anderson Evans (SheWrites Press) is a hilarious, thought-provoking memoir about what happened when Ann started dating again at 60. The book won a NextGeneration Award, an IPPY (Independent Publishers Book Award), and an International Book Award in 2016. It's available as an audio book, ebook, and in paperback and is distributed by IPS, thus quickly available if not on the shelf in the library or bookstore.

Now Ann is writing about what happened after she left New York in 1965 with \$400 in her pocket and no particular plan. Before coming back home eleven years later, she lived in Greece, Spain, Israel, and Germany.

**"Funny  
and introspective...  
Her explorations are  
illuminating."**

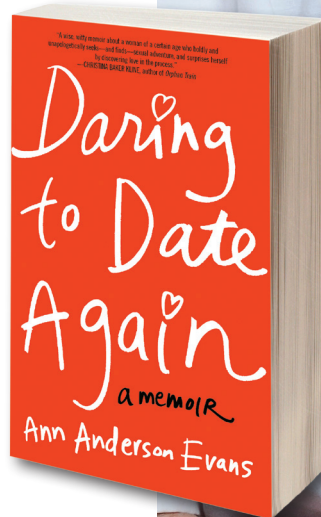

—Kirkus Reviews

## TEACHER AND SPEAKER:

Ann taught freshman Writing at Montclair State, and now leads popular memoir workshops. She is booking fall and winter events now. She has appeared at the Tucson Festival of Books, academic conferences, in bookstores, on numerous radio shows, and on television.

## PROGRAMS OFFERED:

***Getting Down Your Story:*** Your story is easy to think about, harder to write down. Ann's highly personal teaching style includes focused writing exercises, meditative practices, and guidance in revision, where most of the work of writing gets done. Available as single or multiple sessions.

***How Language Works:*** Schools no longer teach "grammar," but we should all know how sentences are constructed, how meaning is conveyed, and what language means in our lives. Ann's interactive methods illustrate the basic principles of linguistics applicable to all languages.
